

**Mount Aloysius College
Second Major Declaration Form**

NOTE: Students at Mount Aloysius College may declare a double major in bachelor degree programs only.

- The second major must be declared before the conclusion of the first year of study at Mount Aloysius College.
- All requirements for both majors must be satisfied at the same time in order to qualify for graduation and students should regularly meet with their advisor to ensure requirements of both programs are met.
- Students will be required to select a primary major and a secondary major. The degree awarded will be that of the primary major.
- Completing a double major may require more than 120 credits normally required for graduation and may take additional semesters of study.
- Due to the academic rigor, students must have a grade point average (GPA) of not less than 2.5 and maintain a GPA of 2.5 throughout the program of studies.
