Waiver Policy for ICT 100 and 200 Level Courses

A student who earned a Bachelor of Science or Bachelor of Arts degree from an accredited university or college shall be exempt for completing ICT 101 – Information Literacy and a 200 level ICT course unless:

- The student’s program of study requires a major/discipline specific course, such as ICT 230 – Technology for the Nursing Professional or ICT 235 – Classroom and Online Technology. However, the department may opt to waive the course based on a review of the student’s academic record.
